<p>The secret, dear Alice, is to surround yourself with people who make you smile. It is only then, that you will find Wonderland. I'm under no obligation to make any sense to you. I can't go back to yesterday because I was a different person then. I am not crazy. My reality is just different than yours. When you can't look on the bright side, I will sit with you in the dark. Have I gone mad? I'm afraid so. You're entirely bonkers. But I'll tell you a secret, all the best people are.</p>  <h1>January 2025</h1>
